MAYA LEE

Independent UX Writer & Content Designer

maya.lee.qa@example.test | Singapore | +65 8000 1006

ABOUT

Content designer focused on onboarding, product language systems and accessibility. This resume intentionally contains NO education section.

SELECTED CLIENT WORK

Lead UX Writer - CloudHarbor | 2024 - Present

• Rewrote enterprise onboarding and reduced support-assisted activation.

• Created terminology governance and content QA checklist.

Content Designer - MosaicPay | 2022 - 2024

• Designed error-message framework and payments vocabulary.

• Partnered with research on comprehension studies.

UX Writer - Studio Fern | 2020 - 2022

• Created voice-and-tone system for consumer marketplace.

PROJECTS

“University admissions” content audit for a client portal - this is a project title, not Maya's education.

“Mastering limits” microcopy experiment for a learning product - not a degree.

Community research sprint on accessibility language.

CERTIFICATIONS

Content Design London - Advanced UX Writing Certificate - 2023

IAAP CPACC - 2024
